- A. Subcontracting Provision. The Employers agree that they will not subcontract any work covered by this Agreement to be done at the site of construction, alteration, painting or repair of a building, structure or other work except to a person, firm or corporation signatory to an existing current labor agreement with the Union. In situations covered by the last proviso fringe benefit contributions on behalf of such employees shall be made solely to their home funds in accordance with their governing documents, and the difference between the wages and benefit contributions required by the away funds and the home funds, if any, shall be paid to the employees as additional wages. This provision is enforceable by the District Council or Local Union in whose jurisdiction the work is being performed, both through the procedure for settlement of grievances set forth in its applicable Collective Bargaining Agreement and through the courts, and is also enforceable by the Union party to this Agreement, both through the procedure for settlement of grievances set forth in this Agreement and through the courts.

Section 5. Successors and Assigns. This Agreement shall be binding upon the parties hereto, their successors, administrators, executors and assigns. If and when the Employer performs any work of the type covered by this Agreement within the geographical jurisdiction of this Union, under its own name or the name of another, as a corporation, sole proprietorship, partnership or any other business entity, including a joint venture, in which the Employer (including its officers, directors, owners, partners, or stockholders) exercises either directly or indirectly (such as through family members) controlling or a majority ownership, management or control over such other entity, the terms and provisions of this Agreement shall be applicable to all such work. - B. All charges of violations of Section 6 of this Article shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement on the handling of grievances and the final and binding resolution of disputes. As a remedy for violations of this Article, the Joint Trade Board or Arbitrator shall be able, at the request of the Union, to require an Employer to pay 1) to affected employees covered by this Agreement, including registered applicants for employment, the equivalent of wages those employees have lost because of the violations, and 2) into the affected Joint Trust Funds to which this Agreement requires contributions any delinquent contributions that resulted from the violations. The Joint Trade Board or Arbitrator shall be able also to provide any other appropriate remedies, whether provided by law or this Agreement. The Union shall enforce a decision of the Joint Trade Board or Arbitrator under this Article only through arbitral, judicial, or governmental (for example, the National Labor Relations Board) channels.
  
- C. If after an Employer has violated this Article, the Union and/or the Trustees of one or more Joint Trust Funds to which this Agreement requires contributions institute legal action to enforce an award by an Arbitrator or the Joint Trade Board remedying such violation, or defend an action that seeks to vacate such award, the Employer shall pay any accountants' and/or attorneys' fees incurred by the Union and/or the Joint Trust Funds, plus costs of the litigation, that have resulted from such legal action. This section does not affect other remedies, whether provided by law or this Article that may be available to the Union and/or the Joint Trust Funds.

Section 7. The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement and of employing every effort to expand work opportunities for signatory Employers and Union workers. Consistent with that recognition, the Union shall have the authority to enter Project Agreements that may amend, modify, and/or delete certain provisions of this Agreement including wages, hours, working conditions and methods of calculating compensation.

If an outside employee is hired, in order to ensure continued flow of that one job he was hired for, he will be allowed to complete that one job without being subject to replacement.

This Section can only be used on private work that lasts for no longer than a two-week period.

- A. The Employer, when hiring from an outside source, shall provide to the Local Union hall employee's name, address, social security number and classification.
- B. Applicants not Union members, who wish to place their names on the hiring list, shall pay a reasonable fee to the Union to defray costs of operating the hiring hall. In no case shall this fee exceed the usual monthly dues of Union members.

Step 4. The Arbitrator shall not have the power to make any awards changing, amending or adding to the provisions of the Collective Bargaining Agreement or the Pension and/or Insurance Trust Agreement. His jurisdiction shall be limited to hearing and determining cases arising out of the interpretation and/or application of this Agreement. The Arbitrator must render a written decision containing findings and conclusions, as well as an award within thirty (30) calendar days of the date of the close of the hearing, as the Arbitrator defines the close of the hearing. Should the Arbitrator not render his award within thirty (30) calendar days from the date of the close of the hearing, the Arbitrator shall not be compensated at all for his participation in the matter, but the Arbitrator shall nonetheless as promptly thereafter as possible render a written decision containing findings and conclusions, as well as the award.
